Dear Valued Patient,

Dr. Norma Gomez will be retiring on April 30, 2025, after years of dedicated service to our patients and community. Her passion for dentistry and commitment to exceptional care have made a lasting impact, and we wish her all the best in this new chapter of her life. She hopes to see many of her patients before her departure and looks forward to the opportunity to say goodbye in person.

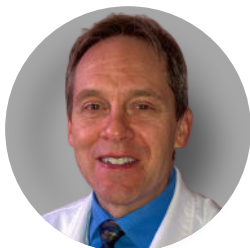

As we say goodbye to Dr. Gomez, we are excited to introduce Dr. Anthony D. Bellucci to our team! A Branford native, Dr. Bellucci brings decades of experience in general dentistry, having trained at Tufts University School of Dental Medicine and Albert Einstein Medical Center. He is passionate about providing high-quality care and looks forward to meeting and serving our wonderful patients.

In addition to Dr. Bellucci, our team continues to provide outstanding dental care with a strong group of specialists and general dentists. Dr. Quinn Beverley, our pediatric specialist, is dedicated to making dental visits a comfortable and positive experience for children while educating families about oral health. Dr. Ethan Santore, our oral and maxillofacial surgeon, is highly trained in complex surgical procedures and ensures the highest level of expertise for patients requiring specialized care. Dr. Vinnie Gupta, our general dentist, is committed to comprehensive and personalized treatment, helping patients achieve healthy, confident smiles. Outside the office, she enjoys playing tennis, pickleball, and biking.

At PureSmilesCT, we remain committed to delivering exceptional care to you and your family. We appreciate your trust in us and look forward to continuing to serve you. If you have any questions or would like to schedule an appointment, please don't hesitate to contact us.

Sincerely,

The PureSmilesCT Team
